5 Stars!

REWA MARIE FYLES GRACEFULLY ENTERS THE POETRY WORLD!

Gut wrenching and turbulent emotions from love to love lost, and dreams filled with admiration to feelings of desperation and sometimes hopelessness smoothly unleash the poetical talents of Rewa Marie Fyles, a hip poetical diva with a fresh poetic style that tells it like it from a women's perspective along with severe honesty. The book of poetry is undoubtedly hypnotic, personal and on time. Rewa's best poems are "What are You Scared of?" and "Be Patient." Her poetry speaks to the heart of a woman who experiences life for what it is and deals with the hand she is dealt at whatever consequence to find romance, self love and sometimes, a new look on life. "Feeling Alone" is her most riveting poem to date and leaves an everlasting message for readers who can find friendship in a poem. Rewa Marie Fyles has entered the poetry arena with a subtle force that is charming, but most of all truthful. Her poetry will speak to your heart if you stop to listen. I highly recommend this poet for speaking engagements and poetry venues. She's simply classy, and I love her poetry.

From heart to heart

Reviewer: The RAWSISTAZ Reviewers (RAWSISTAZ.com)

FEELING POETIC will transport readers on an emotional path as Ms. Fyles alerts the heart to the triumph of finding love and the desolation of losing it. With six deliberate headers, she shares her concept on the different levels of feelings when love is the nemesis: Feeling Dreamy, Feeling Romantic, Feeling Confused, Feeling Frustrated, Feeling Abandoned and Feeling Encouraged.

Have you ever sat in a reflective, melancholic mood and thought, "How did I let this person in my heart?" The poem Unexpected eloquently expands on this question. Another engaging poem bears the title Why and bemoans the fate of people looking for someone to call their own. The poem quietly asks "Why can't it be easy for me to find someone that don't belong to another Soul? No attachments no holds; Independent like me, Free as can be." FEELING POETIC presents questions that make you shake your head and contemplate love.

Kudos to Ms. Fyles for these poetic verses that embody poetry, speak to the soul and reveal the deepest desires of the heart. I thoroughly enjoyed the message in each poem. I suggest you settle comfortably in your favorite place, get a copy of FEELING POETIC and take a journey through your heart. This is an enticing freshman outing. (RAW Rating: 3.5)
