Praise for *Feeling Poetic*

“Feeling Poetic is really a diary of the African-American woman. It really pulls from the soul and makes you feel like you are looking in a mirror. It also helps you find hope during the tough times and lets you know that you are not the only one that has experienced these life lessons. Thanks for writing about what African American women think and actually feel!”

—Mecole Leverette

“The entire book delivers a variety of emotions that anyone would be able to relate to in one way or another.”

—Victoria Creeks-Smith
